TRF JAR

If you have not already done so, you will have an opportunity to guess the amount of change in the TRF jar at the June 11th meeting. Members have contributed their loose change to the jar throughout the year. But it is not too late to add more – clean off your dresser and bring your change for a good cause, simultaneously thwarting other members' too low estimates of what is in the jar.

PAUL HARRIS INDUCTION JUNE 18TH

At the June 18^h meeting, several new Paul Harris Fellows will be inducted. All present Paul Harris Fellows are asked to wear their medallions on that day, or face the penalty.

INSTALLATION DINNER JUNE 26TH

Sign up at the meeting this Thursday for the installation dinner on the 26th. President-elect Dave Holman will become President Dave for 2009-10, and his complete team of officers will be installed as well. The dinner is only \$10 per person (steak or chicken), and it should be a fun occasion to honor both the old and the new officers of the club.

KITCHEN PROJECT

The remodeling of the American Legion Hall kitchen continues. Over 225 hours of labor has already been donated. Help will be greatly appreciated. Contact Dick Wold or Mike Hewitt for work party times.

DUES DUE

The annual Rotary dues of \$133 are now due. Get them in before the end of June.

Bring the hazardous waste you wish to discard – paint, insecticide, gasoline, cleaning chemicals, oil, etc. – to the pickup site behind City Hall between the hours of 9 am and 2 pm. This is a safe and environmentally sound way to get rid of those unsafe items cluttering your garage.
